

Ar. Deepak Mehta, Deepak Mehta Architects

Ar. Deepak Mehta, Principal Architect, Deepak Mehta Architects believes Architectural practice isn't just another job. "It's become a part of me, it flows through your veins if you are passionate about it, becomes your life". As a child he had an exceptional interest in painting and music. Ar. Mehta credits his School Principal, for identifying his true potential and encouraging him to take up a profession in the creative

field. He studied at Academy of Architecture Mumbai where his imaginative and visualizing skills were moulded to create designs that not only provided shelter but also pleasure to its occupants.

Post graduation his professional life started under the guidance of Ar. Porus Master. Following which he joined Ar. Hafeez Contractor. He recollects these initial few years as an extension of his academic learning.
